

Decatur Heritage Christian Academy believes that a positive and constructive relationship between the school and the parents/guardians is essential to the accomplishment of the school's educational mission. It is reasonable to expect parents/guardians to agree to:

- cooperate with the administration to see that the student attends classes regularly and is in school on time each day
- assist the student to learn and advance in the educational process
- cooperate in solving school-related problems
- cooperate in aiding the teachers in providing the student with a Christian education.

These concepts are developed in detail each year in the Decatur Heritage Christian Academy Parent/Student Handbook. Each year, all parents/guardians along with all Upper School (7th-12th grade) students are required to read the handbook and to attest to agreement in writing.

I understand that the policies and procedures contained in the handbook will govern my contractual relationship with the school. By signing below, I attest I have read the handbook, have familiarized myself with the provisions, and will allow it to guide my actions. Additionally, I will have my Upper School student (7th-12th grade) read the handbook and sign this agreement as well.
