### **Common App Paper: Due August 1 by midnight**

What is the Common App? The Common Application (informally known as the Common App) is an undergraduate college admission application that applicants may use to apply to any of merely 700 member colleges and universities in 48 states and the District of Columbia, as well as Canada, China and many European countries.

Assignment: Write a 5-7 paragraph essay using one of the five prompts from this list taken from 2022-2023 Common App requirements.

1. Some students have a background, identity, interest, or talent that is so meaningful they believe their application would be incomplete without it. If this sounds like you, then please share your story.
2. The lessons we take from obstacles we encounter can be fundamental to later success. Recount a time when you faced a challenge, setback, or failure. How did it affect you, and what did you learn from the experience?
3. Reflect on a time when you questioned or challenged a belief or idea. What prompted your thinking? What was the outcome?
4. Reflect on something that someone has done for you that has made you happy or thankful in a surprising way. How has this gratitude affected or motivated you?
5. Discuss an accomplishment, event, or realization that sparked a period of personal growth and a new understanding of yourself or others.

### **Resume: Due August 8 at midnight**

Create a resume that showcases your education, abilities, leadership, skills, and talents. (These are not meant as categories on the resume!) It must be absolutely honest and present your best side. For the purpose of this assignment do not slant it toward a specific job or include an objective. Review the following websites for guidance, but you do not have to take every tip that is offered. Keep your resume to one page. Using a resume template (easily found on Word or Google Docs) is permissible. If you want to insert a picture, be certain that the picture is business casual or business formal.

Use these websites to guide your resume formation.
