

## **Application Timeline for 2025-26**

DHCA is currently working in a rolling admissions process for 2025-26 applications. The Admissions Team will review applications as they are submitted, rather than a specific deadline.

Please allow 2 weeks to complete the entire admissions process after submitting your application. Applications will be put into a waiting pool after grade levels are filled.

Contact the Admissions Office at 256-351-4275 or Nicole Sneed at [nsneed@dhca.org](mailto:nsneed@dhca.org) with any questions.
